Attention preschool and pre-kindergarten parents for the 2020/21 school year...

We will be having PS/PK registration on Friday, April 24 from 9:00-10:00 at Hannah Crawford Elementary School. To ensure the safety of all school personnel and school families and to meet the requirements of social distancing during this COVID-19 health crisis, we will be handing registration using a drive thru process.

We will accept COMPLETED enrollment applications packets from families on Friday, April 24. These were previously mailed to parents that called into the school. Families may line up in their cars starting at the orange cone beginning just east of the overhang located in front of the Hannah Crawford Elementary School. We will begin collecting packets at 9:00. Please do not get out of your car to hand packets personally to school personnel as they will not be accepted and you will be asked to return to your car.

Packets must be COMPLETE in order to be considered for acceptance. We will NOT be able to make copies so please plan accordingly and have copies already made. Please have the following documents ready to go when you hand your enrollment packets to Mr. Martin:

1. Completed Enrollment Packet received in the mail - however the physical does not need completed at this time
2. COPY of your child's birth certificate
3. COPY of your child's Social Security Card

5. TWO proofs of residence which may include a COPY of your drivers license and a utility bill OR a copy of a rental or housing agreement and a utility bill.
