Final assignment: Instead of finishing the year with the ‘traditional’ 24-Hour Research Paper, you just need to make sure that ALL of your assignments are turned in. The sooner the better since all of your work was due by May 1st. (This includes 9 journal entries and all 4 parts of your Legacy Project. Check progressbook and with me if you are unsure if your work is turned in. There is still a lot of missing work!!)

Challenge: I challenge you to do something kind for someone else. This is a difficult time for many, and for many reasons. Do something kind for someone. It doesn’t matter how big or small the act is and you don’t even have to tell them it was you. You can share with me what you did, but you don’t have to. Not all acts of kindness need validation and recognition.

Thank-You Note: Prior to school shutting down we discussed writing Thank-you notes and you were to brainstorm a staff member you’d thank for helping you throughout your schooling at CC. I urge you to write and send that thank you note. It will mean more than you know.

Senior Picture: Drop a senior picture in my room during locker clean-out. I don’t want the class of 2020 to be the only class without pictures on my desk since we didn’t see each other in the 4th quarter. :)

Good Luck on your next adventures. Work hard and be kind!!

Mrs. Parsons
