2nd, 3rd, 5th periods,

It's hard to believe that we have been away from school since March 13. Although this is not the way that I had hoped to finish the school year, sometimes we have to make the best of the challenges we face. To my seniors- Best of luck with your future! I have enjoyed spending time with each of you! 9th, 10th, 11th graders- If you are looking for elective classes to fill your schedules in the coming years, I encourage you to sign up for Creative Cooking again! See me if you encounter any problems and I will sign off for you to take it again. 😊 You all have been so much fun to cook with and I will miss you! If you need anything at all, always please know that you can always contact me. Have a great summer & keep cooking!
